NavDurga Garba – Seasonal Navratri Admissions Campaign

Detailed Case Study by SpaceGrow Media

Client Overview

Client: NavDurga Garba by Jagin Desai. Industry: Dance & Garba Classes. Location: Mira Bhayandar. Platforms: Instagram, Meta Ads and Influencer Collaborations. Campaign Type: Seasonal Admissions Campaign.

The Brief

NavDurga Garba required maximum registrations within a limited Navratri admission window. The objective was to fill batches quickly using strong local targeting, engaging content and end-to-end marketing support.

Research

SpaceGrow Media analyzed seasonal audience behavior, successful Garba content formats and the emotional triggers that influence enrollment decisions. Research showed that excitement, urgency and social proof drive registrations.

Strategy & Ideation

The campaign focused on high-energy Garba reels, admission-focused creatives, limited-seat messaging, influencer collaborations and conversion-focused content. The strategy was designed to create urgency and excitement around enrollment.

Production

SpaceGrow Media handled content planning, posting schedules, reel shooting and editing, admission creatives, Meta Ads setup and optimization, influencer coordination and DM/call-based conversion flows.

Results Achieved

The campaign generated 50 paid registrations. Revenue generated was ■1,07,500. Two batches were successfully filled before Navratri, helping the client achieve full enrollment capacity.

Business Outcome

NavDurga Garba achieved strong local awareness, high-quality admissions and a successful seasonal campaign. The program operated at full capacity and completed as planned.

Why It Worked

Authentic Garba content, consistent visibility, local advertising to non-followers, influencer credibility and strong calls-to-action created a highly effective admissions campaign.

Key Takeaways

Seasonal campaigns perform best when content creates excitement, urgency and trust. Local targeting combined with influencer support can dramatically improve conversion rates.

Conclusion

SpaceGrow Media successfully transformed a limited-time seasonal campaign into a fully enrolled program through strategic content creation, advertising and conversion-focused execution.
